

Good Shepherd Christian Academy & Little Flock Preschool Uniform Information 2011-2012

Why do Good Shepherd & Little Flock have a school uniform? The uniform policy was adopted to foster a standard of excellence, discipline, and to minimize certain influences which distract from the purpose of the school. God has called each of us to a high standard of excellence and we strive to pass this ideal onto our children. Good Shepherd & Little Flock students in K3 through sixth grade wear standardized school uniform. Students choose from a selection of clothing to be purchased from Land's End.

Who is responsible for seeing that students are in uniform? The school is responsible to provide clear guidelines and find a suitable provider. Parents are responsible to know what the guide lines are and see that their children are in compliance with the uniform code teaching them obedience and respect for established rules. In case of an emergency situation in which a student cannot wear his/her uniform, a comparable set of clothing should be worn and a note explaining the reason for being out of uniform should be sent to the teacher. Teachers will monitor uniforms and inform the principal of violations.

Where can parents obtain uniform items? Good Shepherd & Little Flock use Lands' End as our uniform provider. All shirts, sweaters and fleeces must have the uniform logo and must be ordered from Lands' End. Orders can be placed at Lands' End Uniform at 1-800-469-2222, at landsend.com or at any Sears store. A 3% donation will be made to the school every time a uniform purchase is made. All non logo items (pants, skorts and shorts) are available from Lands' End but may be purchased elsewhere as long as they meet the requirement stated in the uniform code.
